# 簡介 About

建造業議會推出《在酷熱天氣下工作的工地安全指引》，向業界提供在酷熱天氣下可即時實施的良好作業建議，以減少在酷熱天氣下工作的危害。為保障工友的安全和身心健康，是次「生命第一 行出安全」網上研討會邀請了勞工處、職業安全健康局及協興建築有限公司分享相關的工地安全措施和工地福利及健康設施。

The Construction Industry Council published “Guidelines on Site Safety Measures for Working in Hot Weather” to set out good practices that can be readily implemented by industry stakeholders during the summer months, in order to minimise the risk towards construction site personnel working in hot weather. To ensure safety and health protection to construction workers, Labour Department, Occupational Safety & Health Council and Hip Hing Construction Company Limited are invited to this upcoming “Life First - Walk the Talk” to share site safety measures on working in hot weather, and construction site welfare and facilities.
