

## Feature Story

### CIC Outstanding Contractor Award 2024 Elevate Construction Professionalism

The "CIC Outstanding Contractor Award" held once every three years, is hailed as the "Oscars of the construction industry." Its objective is to recognise outstanding contractors who have demonstrated exceptional performance in promoting safety culture, corporate innovation, fostering professional talent, integrating young energy, upholding environmental and corporate governance, as well as practicing integrity management in order to encourage these contractors to continue their pursuit of excellence and make positive contributions to the industry and society.

The deadline for application is 31 May 2024, eligible contractors are encouraged to participate actively, compete for recognition, and showcase their capabilities to the industry. This is a rare opportunity to acknowledge the achievements and efforts of contractors while setting a good example for the entire construction industry, as well as bringing positive impact to the industry and society.

## i-Club Report

### Nina Park Site Visit

During the visit on March 22, i-Club members visited the Nina Park and we had the honor of hosting Ar. Donald CHOI, the Chairperson of CITAC Management Board and Executive Director and CEO of Chinachem Group. Ar. Donald CHOI shared his visionary perspective on harmonizing eco-friendly technology with the natural world within the context of Nina Park.

The visit left our i-Club members inspired of the seamless integration of nature and architecture at Nina Park. We also gained valuable knowledge about the sustainable practices employed throughout the project, further inspiring us to embrace environmentally conscious approaches in our work.

## i-Club 活動回顧

### 如心園參觀活動

於3月22日，i-Club會員參觀了如心園，我們亦有幸邀請到建造業創新及科技應用中心管理委員會主席、華懋集團行政總裁蔡宏興建築師分享了他對於將環保科技與自然世界融合的遠見及觀點。

這次參觀啟發了我們的i-Club會員對如心園自然與建築的無縫融合及了解到該項目所採用的可持續實踐方法，進一步激發我們在工作中採用環保意識的做法。
