CITAC i-Club Evening Seminar – Building Life Cycle Management

The first i-Club evening seminar was successfully held on 25 June. Our gratitude goes to CITAC Chairman Mr. Donald Choi (second right), industry leaders Mr. Waiky Leung (second left), Mr. Andy Cheng (first left), and Mr. Tony Leung (first right), as their combined expertise allowed for a fruitful and enjoyable evening. The seminar not only provided a platform for sharing, but also acted as a unique opportunity for participants to connect with one another. [Click here](#) to learn more!
